

LTx READY CF 2: A Multi-Site RCT: Lung Transplant Resources for Education And Decision-making for Your CF 2 Study: A Multi-Site Randomized Controlled Clinical Trial

Status: Recruiting

Eligibility Criteria

Conditions & Interventions

Conditions:

Rare Diseases

More Information

Description: The primary study objective is to determine whether "Take on Transplant" (ToT), a CF-specific Lung Transplant (LTx) educational website, improves patient-reported preparedness for LTx discussions, as measured by the Preparation for Decision Making (PrepDM) Scale at 3 months after randomization, compared to an attention control transplant website (unos.org, UNOS).
