Exclusion Criteria:

1. people who have been diagnosed with cancer but haven't been treated

Conditions & Interventions

Conditions:

Cancer, Community Health

Keywords:

Cancer, LGBT

More Information

Description: This is a study about how to recruit sexual and gender diverse people into cancer research studies. You will be asked to participate in a secure Zoom interview; if you do not have access to Zoom an interview may occur over the phone. The interview will take about 60-90 minutes, and we will ask questions about your experience with participating in cancer research studies and your experience during treatment.
