

Gender Identity Measurement In Early School Aged Children

Status: Recruiting

Eligibility Criteria

Sex: Male or Female

Age Group: Up to 18 years old

This study is also accepting healthy volunteers

Inclusion Criteria:

- Ages 5 to 8 - English speaking

Exclusion Criteria:

- unable to speak English

Conditions & Interventions

Conditions:

Children's Health, Community Health

Keywords:

child, creativity, gender, transgender

More Information

Description: The goal of this study is to learn more about how children (ages 5-8 years) describe their gender identities. We are also interested in learning more about the ways children think and develop. We will be giving children several tasks designed as games to assess flexibility in thinking, creativity, and the ability to take another person's perspective.
