

Help Us Help U: Your Voice in Research

Status: Recruiting

Eligibility Criteria

Sex: Male or Female

Age Group: 18 years and over

This study is also accepting healthy volunteers

Inclusion Criteria:

- 18 years or older

Exclusion Criteria:

- Unable to read English

Conditions & Interventions

Conditions:

Prevention & Wellness

Keywords:

community, D2D, diversity, experience, Minnesota, online, remote, virtual, survey

More Information

Description: The Clinical and Translational Science Institute at the University of Minnesota is asking the public questions to learn how they feel about health research. Health research is when people study a health problem to understand it better. The goal is to help patients and make communities healthier. This study is an anonymous online survey that could take up to 10 minutes. Responses will help shape future studies and improve participant experiences. Click *Visit the Study Website* to take the survey!
