Conditions:

Kidney, Prostate & Urinary, Women's Health

Keywords:

Bladder Health, lower urinary tract symptoms, Urinary Incontinence, MNFair

More Information

Description: The Blue Ribbon Bladder Study is a project just for women. We want to learn more about how women manage everyday bladder issues and use what we learn to find better ways to support bladder health. Visit us at the Minnesota State Fair Research Building to learn more and share your experience! Help us make bladder health an easier part of everyday self-care.
