

D2D-Improving Invasive Species Identification through an Interactive Digital Guide for Non-Experts

Status: Recruiting

Eligibility Criteria

Sex: Male or Female

Age Group: 18 years and over

This study is also accepting healthy volunteers

Inclusion Criteria:

- ages 18 years or older - resident of Minnesota

Conditions & Interventions

Keywords:

graphic design, Invasive terrestrial species, MNFair, plant identification guide

More Information

Description: Can you tell which plants belong in Minnesota and which do not? We are studying what visual designs can help Minnesotans learn to identify invasive plants in our state. So visit our booth at the Minnesota State Fair Research Building to try our new interactive guide and share your feedback.
